

Bicentennial Quilt

Help us create a bicentennial quilt to celebrate 200 years of the city of Defiance. We are looking for 8.5-inch quilt squares to be made into a twin-size quilt.

These quilt squares should celebrate the history of Defiance and be made by those in our community. You don't have to live in Defiance, just have a connection in some way.

Quilt squares can be dropped off to Cara B. at the Defiance Public Library until the end of October 2023. The goal is to have the quilt done by December and ready for display.
